TABLE OF CONTENTS

THESE ARE YOUR FIRST STEPS WITH JESUS

We have created a couple of tools to assist you as you grow in your relationship with Jesus:

This book has 20 short daily studies that spread out over 4 weeks. (it is also available in Afrikaans on YouVersion as "Groei: Eerste treeë saam met Jesus")

We recorded 20 videos of about 4-5 minutes each, to walk you through the content. (<https://www.firststepswithJesus.com>)

An audiobook is also available in English and Afrikaans at the link above.

Each day has an affirmation that we encourage you to repeat throughout the day.

Each chapter has one action step for each day.

My name is Jean Symons and I started my relationship with Jesus when I was 13 years old. I have studied Theology at The College of The Apostolic Faith Mission of South Africa in Johannesburg. (AFM of SA). I have been a pastor since 1992 and I now serve as a leader in Doxa Deo in Pretoria. (www.doxadeo.org)

We believe that a relationship with God is the main story of God's interaction with humanity. (Find our full statement of belief at <https://www.doxadeo.org/about/believe/>). Our approach in this book was to not assume that you may know much about the Bible or Jesus or any of the other subjects.

This journey of discovery that we would like to take you on, was brought about by our heart for people who start, with their first steps, a relationship with Jesus. The best way to go about this is to find someone who already follows Jesus, and to have such a person walk you through the daily discoveries.

So here we go! Watch the 4-5 minute daily video, or listen to the daily audio recording, as you follow it in your book.

May your relationship with Jesus grow to become the anchor of your whole life. He came so that we may have life in abundance!
(John 10:10)
